

# ADVANTAGE SUMMARY PROFILE

## U.S. DEPARTMENT OF ENERGY EXPERIENCE

CRI Advantage, Inc., (CRI) is an information technology (IT) services and solutions firm established in 1988, with CRI's current ownership operating the company since 1995. CRI its owners and principals have over three decades of experience in the energy sector, working at DOE facilities and sites, DOE Power Marketing Administrations (PMAs), and utility companies, with CRI deploying and supporting technology in support of DOE.

With over 15 years of experience delivering contracts for the U.S. Department of Energy (DOE) at Headquarters (HQ), to National Laboratories (NLs), and to PMAs, CRI is intimately familiar with the DOE complex. We currently conduct some NL IT operations in an offsite CRI facility under a NIST 800 Series compliant network. We are trusted to perform work beyond IT organizations to include work directly supporting mission programs and Work for Others.

We apply safety in everything we do. CRI employees have worked over 1,100,000 hours, and we have monitored over 340,000 subcontractor hours on DOE projects with **zero downtime**. CRI staff have driven over 275,000 miles in support of DOE with **zero incidents**.
